## Funding Procedures

---

The MBVCA Board will meet in **three periods** to determine funding for the Tourism Advancement Program. The grant program is announced through published and disseminated guidelines, and legally advertised deadlines. The grant program requires organizations to show evidence of matching funds from other public and private sector sources.

MBVCA grants are paid upon performance; therefore, funding is provided on a reimbursement basis. If an event is cancelled; has a significant venue change where 50% of the events no longer taking place within the City of Miami Beach; dates change to where it no longer takes place within the fiscal year in which the grant was awarded, or other circumstance not mentioned above, the grant will be reviewed and possibly rescinded.

A MBVCA grant carries no commitment of future support. Organizations whose grants have been rescinded due to non-performance must wait a full fiscal year in order to re-apply. Fraudulent documentation and/or activity will suspend the organization and/or event from returning to the MBVCA for funding. Re-instatement for funding ability is Board determinant.

In order to receive reimbursement, the applicant must show proper documentation including invoices, and the front and back of cancelled checks. Applicant must also have completed all paperwork, including contract, reports, and evaluations in a timely manner. The formal reimbursement requests must be completed on the "Request for Reimbursement" sheet in a cohesive, line-itemed manner. Any goods or services listed in the "Funding Restrictions" section, and/or invoices and expenses incurred prior to the grant award date will not be considered. **Note: Vendors submitted as part of a reimbursement request must be valid and active and may not be partially or wholly owned by the grantee organization.**

---

To be eligible for the Tourism Advancement Program, the proposed program must have a compelling tourism component and demonstrated ability to attract tourists to Miami Beach.

### **Funding Priorities**

The panel will provide priority attention to the following tourism development objectives with regard to making funding decisions:

- **Television Coverage** – programs with confirmed television coverage and viewership from a major network or cable provider.
- **Development Areas** – programs which occur during the months of June - September and during national holidays; programs which help expand the positive impact of tourism into North Beach and other under-utilized areas of Miami Beach.
- **Confirmation of Hotel Room Nights** – programs with confirmed hotel room blocks of 175 hotel room nights or more in a Miami Beach hotel.

- **Open to the Public** – programs, events, and activities that are open and accessible to Miami Beach visitors and residents.
- **Event Quality/Reputation** - events that attract high caliber and high-profile artists to perform in Miami Beach; events with an outstanding national or international reputation.

### **Procedural Policies**

---

Once the panel has reviewed a proposal and funding was awarded or denied, the applicant organization cannot return to the MBVCA in the same fiscal year for the same project or proposal. **An organization may apply only once for any one project or event within a funding period. Please reference the Program Calendar for a list of funding periods.**

An organization applying as fiscal agent for an individual or another organization may apply again in a separate grant category during the fiscal year for another project. **Fiscal agents** must fill out the 'Fiscal Agent Form' and include it as part of their applications. Forms may be obtained from the MBVCA Administrator. The fiscal agent becomes the legal applicant of record, redistributes the funds to the intended recipient, and is entirely responsible for all published requirements of the grants program. These include contracts, revised budgets, fiscal records and reports. **Fiscal Agents may only be utilized by first-time applicants. After said year, organization must be the grantee and meet all requirements as outlined within the grant program guidelines.**

Non-use of the MBVCA logo is a contractual violation and may result in loss of funding support.<sup>2</sup> Given the timing of events and application review, applicants may want to obtain acknowledgement materials from the MBVCA Administrator for advance use; however, advance use of the MBVCA logo and credit line will not affect Board deliberations about the funding merits of a program. **Please check with the MBVCA Administrator for any changes to existing logos.**

---

<sup>2</sup> For the duration of the grant, the Grantee shall prominently acknowledge the participation of the MBVCA in all press releases, publications, and promotional materials presented to the media or otherwise disseminated or published material concerning the project. Failure to comply with this request may affect the applicant's future funding.  
FY 2024/2025\_Tourism Partnerships

## Financial Policies

---

All programs are contingent upon the approval of the annual budget by the City of Miami Beach Mayor and Commission. Any diminution in budget funding levels to the MBVCA will reflect in a reduction of the grant award in the same percentage.

The maximum grant request is one quarter of the actual project budget, up to a maximum of **\$30,000**.

The MBVCA shall not be considered the sole source of funding. Applicants must provide their entire program budget. This budget must show sponsors, who have been secured prior to seeking support from the MBVCA and indicate those funding sources in the budget portion of the application. **Applicants must demonstrate a minimum of a four-to-one funding ratio.**

In addition to applying to the MBVCA, all organizations are encouraged to explore financial support from other funding agencies such as the Miami Dade County Department of Cultural Affairs at 305.375.4634 or [www.miamidadearts.org](http://www.miamidadearts.org) and/or the Miami-Dade Sports Commission at 305.818.7188 or [www.miamisports.org](http://www.miamisports.org).
